

A diagram of a crosshair shape on a light gray background. The crosshair consists of a vertical stem and a horizontal stem, both with rounded rectangular centers. The vertical stem has a height of 170px, and the horizontal stem has a width of 230px. The stems are connected at their centers. There are four circular nodes at the ends of the stems: one at the top, one at the bottom, one on the left, and one on the right. The text '170px' is written vertically in white on the vertical stem, and '230px' is written horizontally in white on the horizontal stem.
